

S1/S2 – Solar Rotation and magnetic field strength

Lab report

Contents

1	Introduction	2
2	Theoretical Background	2
3	Observations and data reduction	2
4	Results	2
5	Analysis	2
6	Discussion	2
7	Conclusions	2

1 Introduction

2 Theoretical Background

3 Observations and data reduction

4 Results

5 Analysis

Kharchenko et al. (2005)

6 Discussion

7 Conclusions
